

The Art of Hello™ warm up

5 minutes to prepare for the Art of Hello.

Paula Calise

WARM UP #1:

Write down how you introduce yourself when you first meet a new person in a professional setting (new professional acquaintance, new vendor, new client prospect, new co-worker, etc.). And count the number of words.

WARM UP #2:

Recall the last new professional (new professional acquaintance, new vendor, new client prospect, new co-worker, etc.) you met, within the last month. Write down how they introduced themselves.

WARM UP #3:

Look up that person cited in #2 in LinkedIn. How closely does your description of them match the LinkedIn description?
