Sponsor Benefits

- Sponsorships are by invitation only.
- Sponsors gain prestige by being associated with the preeminent professional association for senior financial executives with over 10,000 members throughout the US and Canada.
- Sponsors can stay abreast of emerging accounting and finance issues as FEI represents its membership’s interest to key Congressional policy-makers, the PCAOB, FASB and the SEC.
- Sponsors have significant networking opportunities with the top financial executives in the New York City community.

Financial Executives International connects senior-level financial executives by defining the profession, exchanging ideas about best practices, educating members and others and working with the government to improve the general economy. The primary benefit of partnering with FEI NYC is a personalized, highly professional exposure to the financial executives who influence business in NYC. FEI is the premier organization serving the professional development needs of senior financial executives. We welcome your interest in a mutually beneficial relationship through chapter sponsorship.
