THANK YOU TO OUR CONFERENCE SPONSORS

The pressure being put on the preparer community at large to manage the adoption of major new accountings standards is significant. This two-day conference will bring experts and preparers together with regulators to discuss best practices for managing this change.

## DAY 1 | SPOTLIGHT: REVENUE RECOGNITION

9 CPE Credits

Day one of the conference will kick-off with a keynote address from **Russ Golden, FASB Chairman** on standard setting and what to expect with the Financial Accounting Standard Board's future agenda. This will be followed by an update on the recently exposed hedging project and on classification and measurement. The remainder of the day will be focused on the most imminent accounting change - revenue recognition, and what you need to do to prepare.

## DAY 2 | SPOTLIGHT: LEASE ACCOUNTING

7.5 CPE Credits

We begin day two with a keynote address from **Sagar Teotia, U. S. SEC Deputy Chief Accountant**, who will offer an SEC perspective on this period of unprecedented accounting change. This will be followed by a session focused on how to overcome the challenges organizations face recruiting, training and staffing their organizations with qualified individuals to deal with accounting change. The remainder of the day will be all about Leases. Attendees will learn about the new rules, discuss how to prepare for adoption, uncover the impact to an organization's systems, processes and controls and get answers to questions from our panel of industry and subject matter experts.
