FEI Corporate Membership includes:

Membership for your Finance and Accounting Teams

Enroll everyone within your finance and accounting departments as FEI Members and grant them access to over 90 webinars and online events, allowing them to hone and expand upon their technical and leadership skills while earning CPE credits.

Event Discounts

As part of your Corporate Membership, all employees receive a 15% discount on events organized by FEI, supporting continuous professional development and CPE credits in topic-relevant areas.

Access to On-Demand Kaplan Learning Platform

Through FEI's partnership with Kaplan Education, your company receives a credit allocation (based on company size), providing a flexible way for your staff to earn CPE credits by accessing more than 500 technical and soft skills courses.

Exclusive Content and Events from FEI Engage

Designed for early—to mid-career staff, Corporate Members receive complimentary access to FEI Engage, which provides beneficial skills development opportunities.
