

Why Become a Member of fei

Are you ready to advance your career while building your network and strengthening your leadership skills?

Join FEI today and align yourself with our best-in-business members while gaining the knowledge you need to grow both professionally and personally. For more than 85 years FEI has been advancing the success of senior-level financial executives, their organizations and the profession.

INTERACTION | INFORMATION | INFLUENCE | INTEGRITY

- Network nationally, locally and virtually with finance professionals from all major industries, non-profit organizations and government offices
- Build and enhance leadership and technical skills through conferences, courses, webinars and unbiased research reports presented by the Financial Education & Research Foundation (FERF)
- Authoritative representation for your interests
- Tools to advance the profession through ethical financial leadership

Professional Development and CPE Opportunities

National and regional in-person conferences and courses

Local Chapter meetings and social events

On demand learning and webinars

CONNECT | LEARN | SHARE

FEIconnect, a member-only online community, allows members the opportunity to interact wherever and whenever they need. Users can participate in discussion threads, access useful and informative document libraries and network with other members via a comprehensive member directory.

"The connections I've made with my peers at FEI have enabled me to be successful at my job."

John Panetta, Sr. | Sr. Director, Government Accounting
Raytheon Company | MEMBER SINCE 2008

"I believe the research produced by FEI's research foundation makes me a more knowledgeable executive, especially the annual Compensation and Audit Fee reports."

Marie Gallagher | Senior Vice President and Controller
PepsiCo | MEMBER SINCE 1992
